

You want to make your own movies/ news?

Do you find very few things are shown on TV that you perceive as interesting?

Do you find that teenagers should be on the news more often?

Are you interested in the making of movies and news?

Then you might benefit from our Lern.Film.Studios-programme...

WHO can take part?: ALL adolescents in Salzburg with our Standard-programme as follows, however we also organise EU-Projects (Documentary films and such) for the long term and with partners from other countries!

Normally 3 days of filming (6h each)

- 3 workshop-days with an experienced journalist + cameraperson (Day 1: Finding a topic, creating a script, test shooting; Day 2: Filming, Day 3: Filming, renditioning of voice overs, cutting)
- Independent shooting and cutting with professional equipment in the film studio
- Presentation of your movie

ADVANTAGES:

- ✓ a unique experience – **apply yourself, your ideas and your talents** (as director, news-anchor, cameraperson, film-composer, journalist,...)
- ✓ a unique opportunity to work with a professional team in a modern TV-studio and to produce a real documentary film, which will be displayed on our homepage (www.lernfilmstudio.eu)
- ✓ Make a movie out of YOUR topic (no matter if it's leisure time, culture, sports, concerning youth, etc.)
- ✓ Learn how to make serious news
- ✓ Learn how to make a gripping movie (script, shoot, cut, moderation, interview-technique)
- ✓ **PARTICIPATION IS FREE**
